Decorative Crate with Metal Plated Ends

- This decorative crate with metal plated ends can serve to elevate products, segment products, or be an attractive solution for on-the-floor storage.
- Useful in any retail or home environment.
- The crate has a rectangular shape with two long slatted sides and two shorter slatted sides with metal plates covering them.
- The slats on the sides are spaced out, with gaps in between, so you can see the contents.
- The slats on the ends are spaced with no gaps in between them and a powder-coated metal plate in a shade coordinated with the wood finish.
- Each end has a cutout handle to make the box easier to carry.
- The crate is durable and long-lasting natural wood of your chosen type and finish.
- There are six premium finish options and three wood types available to coordinate the fixtures with the rest of your store.
- Arrives at your store fully assembled.
- Assembled weight is 11 pounds.
