Decorative Crate with Metal Ends

- This decorative crate with metal ends can serve to elevate products, segment products, or be an attractive solution for on-the-floor storage.
- Useful in any retail or home environment.
- The crate has a rectangular shape with two long slatted sides and two shorter metal ends.
- The slats on the sides are spaced out, with gaps in between, so you can see the contents.
- The metal ends are solid powder-coated metal in a shade coordinated to match your wood finish with handle cutouts to make the crate easier to carry.
- The crate is durable and long-lasting natural wood of your chosen type and finish.
- There are six premium finish options and three wood types available to coordinate the fixtures with the rest of your store.
- Arrives at your store fully assembled.
- Assembled weight is 14 pounds.
