Two-Sided Produce Spill Bin with a Framed Shelved Base (Laney)

- This produce spill bin with a framed in, shelved base is perfect for both merchandising products, produce, and other items as well as providing a convenient on-floor storage option in a grocery store.
- The display's exterior is constructed from a durable and long-lasting natural wood of your chosen type and finish.
- There are three open shelved areas at the base of the unit.
- The shelves are accessible from both sides of the spill bin.
- The spill bin top surface and shelves are constructed from durable, long-lasting, and cleanable black melamine.
- The display's frame is constructed from one and one-half-inch square tubing powder-coated to coordinate with your chosen wood finish.
- There are angled metal pieces that are powder-coated to match the structure's frame to protect the corners.
- There are six premium finish options and three wood types available to coordinate the fixtures with the rest of your store.
- Arrives at your store fully assembled.
- Levelers are included.
- Casters are available as an add-on.
- 1.25" or 1.5" pricing channel for the top surface area and bottom shelf are available as an add-on.*
- Assembled weight is 84 pounds.

*pricing channel is provided in lengths rounded up to the nearest foot and will need to be cut to the specific size you need onsite.
