Large Bakery Display with Flat Shelves and Trays (Xander)

- Freestanding, large bakery display with a combination of trays and shelves for displaying bread, pastries, or other retail items.
- Top shelf and trays are made from natural wood with your choice of finish.
- Shelves in the middle are powder-coated metal in a shade chosen to compliment the wood tones.
- The top shelf and the three rows of trays and shelves beneath sit parallel to the floor.
- The metal leg structure is constructed from 3-inch by 1-inch tube rectangle, powder-coated in a color coordinated with your choice of wood finish.
- The top shelf of the large bakery display spans both sections and is 71-inches long and 22-inches deep.
- The two (2) tray sections in the middle of the unit and two (2) on the bottom each measure 35-inches long and 22-inches deep with a 2-inch deep lip.
- The shelves in the middle of the unit measure 34.75-inches long and 22-inches deep.
- The total height of the display is 54.2-inches.
- The total width of the display is 73-inches.
- The display depth is 22.25-inches.
- A chalkboard at the top of each section of the large bakery display provides the opportunity to call out specials or indicate product availability.
- The chalkboard frame measures 22.25-inches wide by 6.26-inches tall.
- There are six premium finish options and three wood types available to coordinate the fixtures with the rest of your store.
- Arrives at your store fully assembled.
- 1.25" or 1.5" pricing channel is available as an add-on for the two (2) trays in the center and two (2) trays at the base of the unit.*
- Assembled weight is 283 pounds.

*pricing channel is provided in lengths rounded up to the nearest foot and will need to be cut to the specific size you need onsite.
