Small Bakery Display with Wood Drawer (Xander)

- Freestanding, small bakery display with a combination of wood and metal shelves and a bottom drawer for storage and displaying bread, pastries, or other retail items in grocery stores, convenience stores, coffee shops, or other retail environments.
- Top shelf and bottom tray are made from natural wood with your choice of finish.
- Shelves in the middle are powder-coated metal in a shade chosen to compliment the wood tones.
- The top shelf and the three rows of trays and shelves beneath are parallel to the floor.
- The metal leg structure is constructed from 3-inch by 1-inch tube rectangle, powder-coated in a color coordinated with your choice of wood finish.
- The top shelf of the small bakery display is 35-inches long and 22-inches deep.
- The shelves in the middle of the unit measure 33-inches long and 22-inches deep and are 1-inch tall.
- The exterior dimensions of the drawer unit are 33-inches wide by 19-inches deep by 13-inches tall.
- The interior dimensions of the drawer unit are 29.88-inches wide by 16-inches deep by 9.38-inches tall.
- The total height of the display is 54.2-inches.
- The total width of the display is 35-inches.
- The display depth is 22-inches.
- A chalkboard at the top of each section of the small bakery display fixture provides the opportunity to call out specials or indicate product availability.
- The chalkboard frame measures 22.25-inches wide by 6.26-inches tall.
- There are six premium finish options and three wood types available to coordinate the fixtures with the rest of your store.
- Arrives at your store fully assembled.
- Assembled weight is 171 pounds.
