## Produce Endcap Display (Xander)

- Versatile, freestanding produce endcap display for displaying fruits, vegetables, or other retail items.
- Shelves and trays are made from natural wood with your choice of finish.
- The top shelf and the two trays beneath it sit parallel to the floor.
- The bottom tray sits at an angle with the highest point at the back of the tray.
- The metal leg structure is constructed from 3-inch by 1-inch tube rectangle, powder-coated in a color coordinated with your choice of wood finish.
- The top shelf spans both sections and is 71-inches long and 23-inches deep.
- The four (4) tray sections in the middle of the unit each measure 35-inches long and 21-inches deep with a 2-inch lip.
- The bottom two (2) tray sections each measure 35-inches long and 22-inches deep with a 3-inch lip.
- The total height of the display is 54.2-inches.
- The total width of the display is 73-inches.
- The display depth is 24.6-inches.
- There are six premium finish options and three wood types available to coordinate the produce endcap display with the rest of your store.
- Arrives at your store fully assembled.
- 1.25" or 1.5" pricing channel is available as an add-on for the three rows of trays.\*
- Assembled weight is 269 pounds.

\*pricing channel is provided in lengths rounded up to the nearest foot and will need to be cut to the specific size you need onsite.
