Department Sign for Frozen Department (Iconic)

Looking for an eye-catching way to label your frozen food department? Our Iconic Collection Department Sign for a Frozen Department is the perfect solution.

- With its bold color, dimensional icons, and cut-out text that reads "FROZEN" and reveals the color underneath, this sign is sure to grab your customers' attention.
- Our department sign comes in three sizes to fit your space and needs. The extra-large version is an impressive 95 inches long by 47 inches overall height by .780 inches thick. The large version is 72 inches long by 36 inches overall height by .50 inches thick. The small version is 47.5 inches long by 23.50 inches overall height by .625 inches thick.
- Whether you have a large frozen food department or a smaller selection, we have a size that will work for you.
- The sign is made of high-quality materials for durability and longevity. It's digitally printed on a 6-millimeter PVC core with a PVC overlay, making it resistant to water, fading, and peeling.
- The front side of the sign has color, icons, and text, while the back side either matches the front side for the double-sided version of the sign or is white PVC for the single-sided version.
- Installation is a breeze, as the sign can be easily hung or wall-mounted.
- It's perfect for grocery stores, convenience stores, and any other business that wants to create a bold and professional look for their frozen food department.
