Price as of April 3, 2026

Standard, ADA, and Express lane options are available.

Streamline Your Checkout with Our Checkstand Light Cube (Iconic)

Speed up your checkout process and make it easier for customers to find their way with our Checkstand Light Cube.

- Crafted from premium quality white acrylic, this cube features a colored dimensional numeral or ADA symbol and a colored vinyl media border on the top edge, making it a standout feature in any store.
- The numeral or ADA symbol stands 6 millimeters off the face of the sign, appearing on four sides of the cube, ensuring maximum visibility.
- For the express version of the checkstand light cube, the “EXPRESS” text is displayed in bold lettering, which is 1.5 inches tall on all four sides of the sign.
- Designed to mount to the [Checkstand Pole](#) (sold separately) quickly and easily, this cube measures 11.5 inches wide by 18 inches tall, with a top border that’s 2 inches tall.
- The Checkstand Light Cube is available in three versions – Standard, ADA, or Express – with the numeral or ADA symbol measuring 8.5 inches tall on all four sides of the sign.
- The Checkstand Light Cube is lightweight, weighing in at 4.67 pounds, making it easy to install and move around as needed.

Hardware Included

- Bolts, nuts, and washers to attach cube to checkstand pole.

Upgrade your checkout experience and create an efficient, customer-friendly store with our Iconic Checkstand Light Cube. Order now and see the difference it can make!
